            <p>  It is essential to buy a Critical Illness Insurance which
will support during a medical emergency. Critical Illness Insurance is
available as two options- Standalone Policy and Critical Illness rider. A
Standalone Policy is a plan that provides full coverage for critical
illnesses. The Critical Illness Rider is an optional add-on feature you buy
along with your Health Insurance Policy. Both Standalone Policy and Rider
provide coverage against critical illnesses.</p>

                      <p>One of the key contributors to the fact that retirement can be
unpleasant is the instability of one's financial circumstances. Those who
have committed their entire careers to achieve financial success are
typically anxious about approaching retirement. Considering these factors,
the government has devised several programs such as the National Pension
Scheme in India to ensure retirees' financial stability and security. Pension
plans or NPS System India offers a particular level of financial stability
for retirees while contributing to the nation's economic growth.</p>
